

Association of Coastal Studies and Disaster Management (ACDM) University of Barishal

Over the past year, ACDM has been working to create opportunities for students to learn, develop skills, and move forward with confidence.

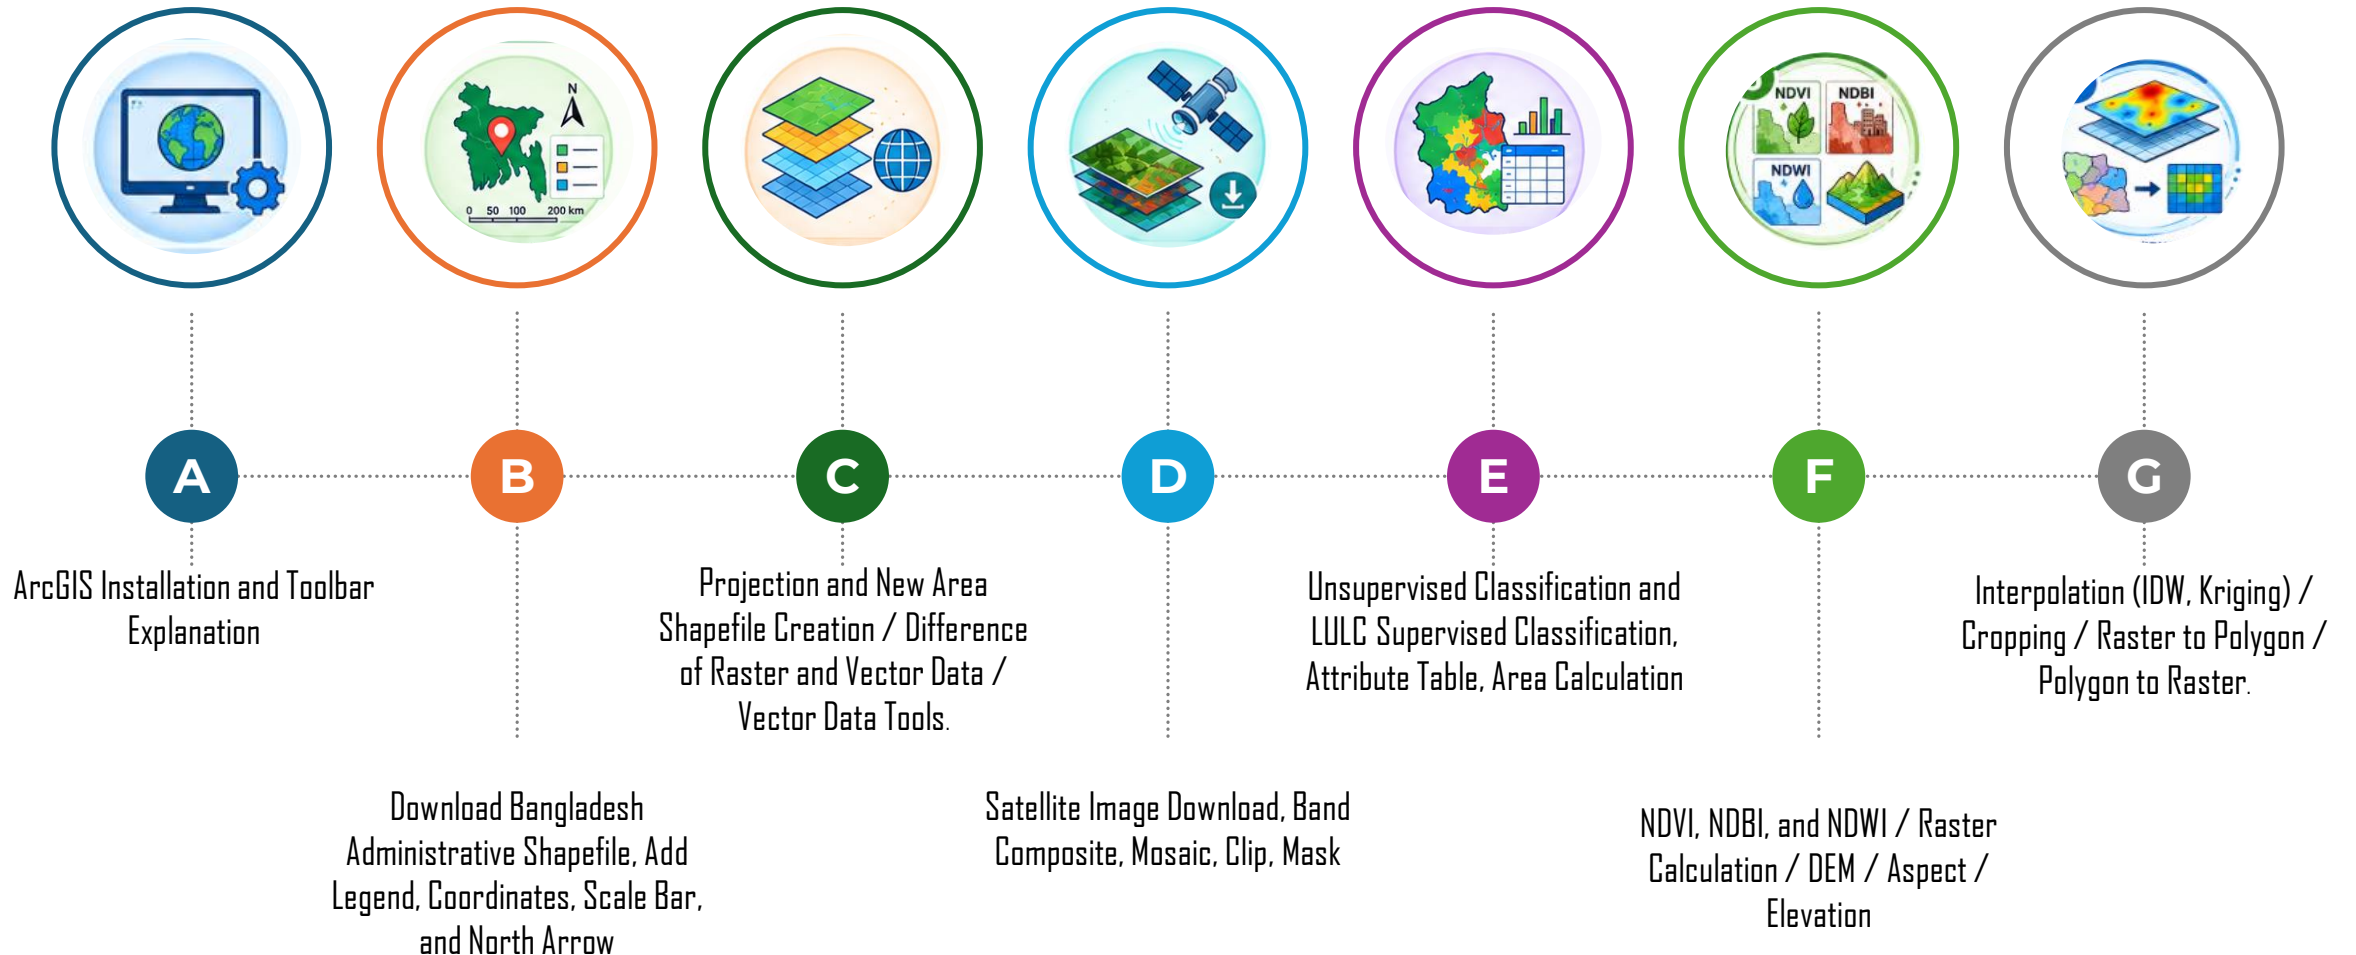

ACDM — Supporting Students, Empowering Their Future.

GIS is a powerful technology
for capturing, analyzing, and visualizing spatial data.
It helps us understand places, patterns, and real-world problems through maps and
geographic information.

Course Module

Meet Our Dedicated Trainers

4

"Training GIS today, inspiring possibilities for tomorrow".

Md. Osman Goni

Coastal Studies and Disaster
Management
University of Barishal

Zarin Tasnim Katha

Coastal Studies and Disaster
Management
University of Barishal

Arpa Banik

Coastal Studies and Disaster
Management
University of Barishal

Iftekhar Rahman

Soil, Water, and Environment
University of Barishal

Shuvro Debnath

Coastal Studies and Disaster
Management
University of Barishal

Learning in Action: Participants' Work

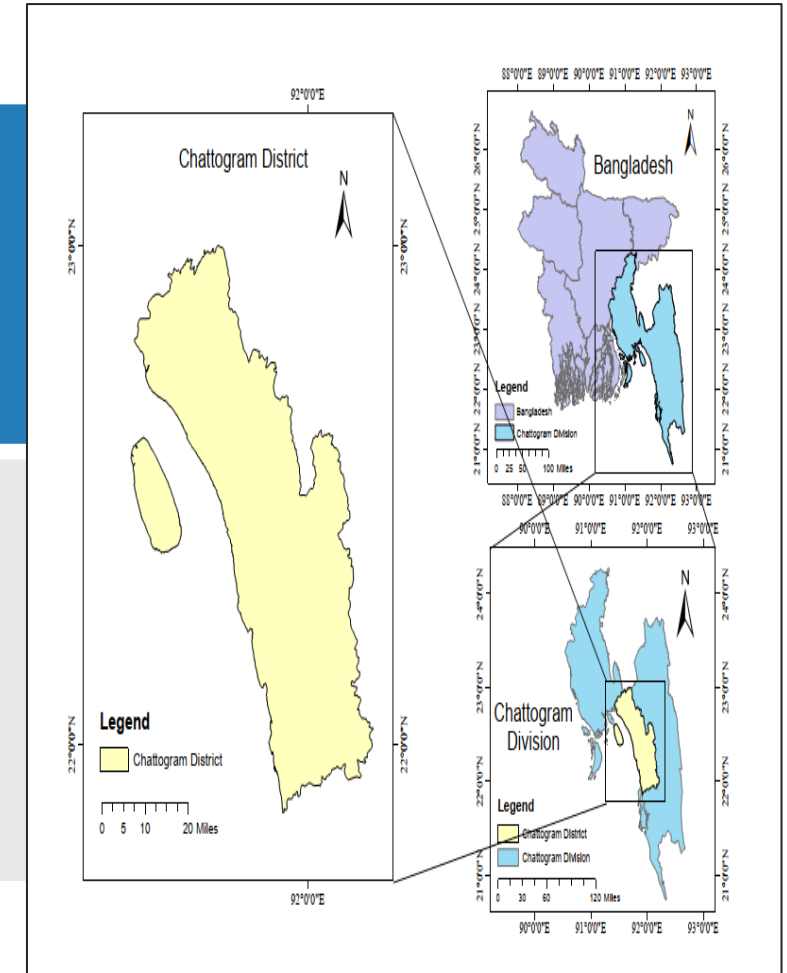

5

Mrittika Hasan Rity

Department: Geology & Mining.
Admission Session : 2023-24

Class 02: Shapefile, Legend, Coordinates,
Scale Bar, and North Arrow..

Learning in Action: Participants' Work

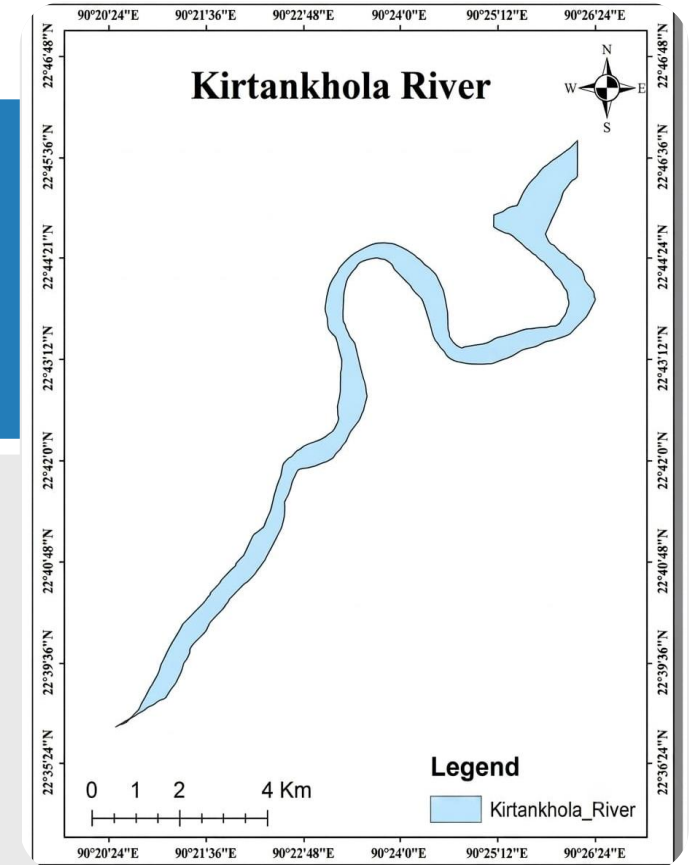

6

Aneekah Afrin

Department: Soil, Water, and Environment.
Admission Session : 2020-21

Class 03: Projection and New Area
Shapefile Creation / Difference of Raster
and Vector Data / Vector Data Tools.

Learning in Action: Participants' Work

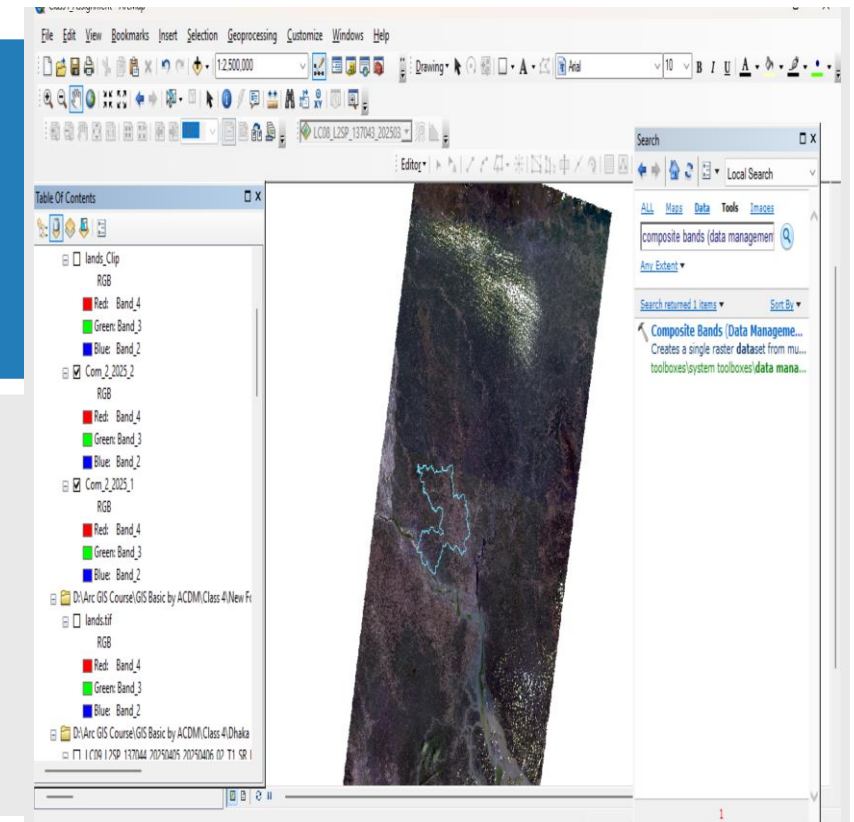

7

Md. Riajul Islam

Department of Coastal Studies and Disaster Management
Admission Session: 2018-19

Class 04: Satellite Image, Band Composite, Mosaic, Mask, and Clip.

Learning in Action: Participants' Work

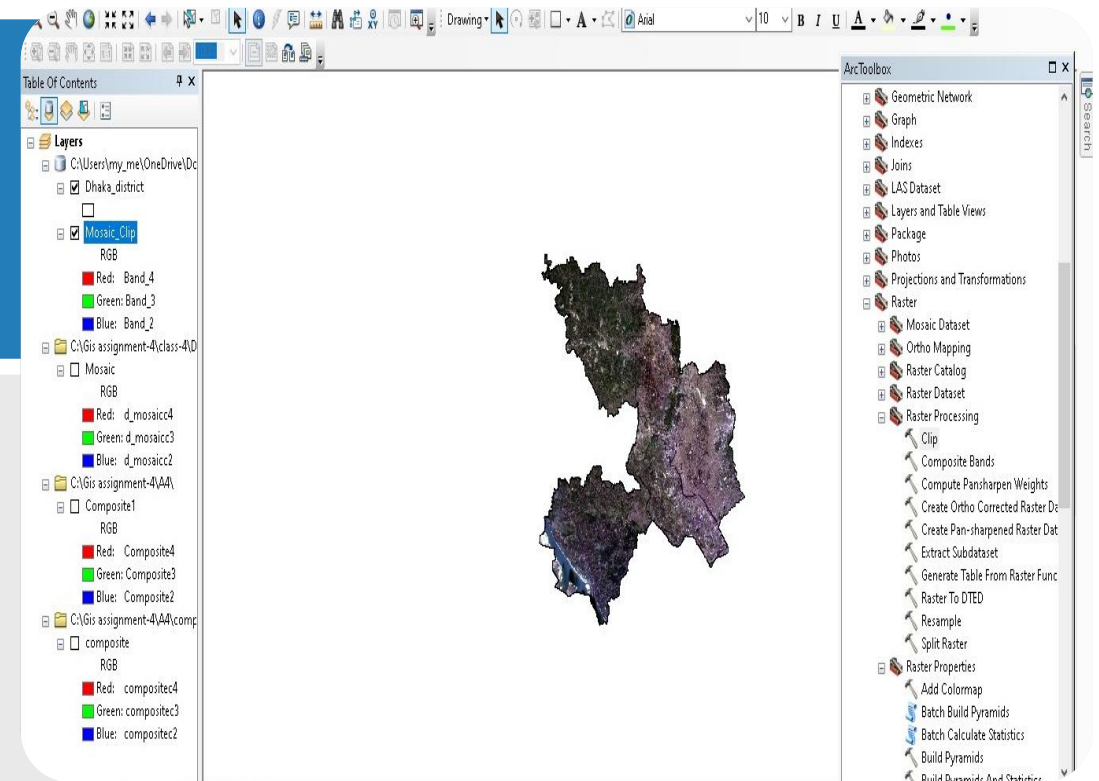

8

Md. Toufik Masrul Papel

Department of Geology and Mining
Admission Session: 2020-21

Class 04: Satellite Image, Band Composite, Mosaic, Mask, and Clip.

Learning in Action: Participants' Work

9

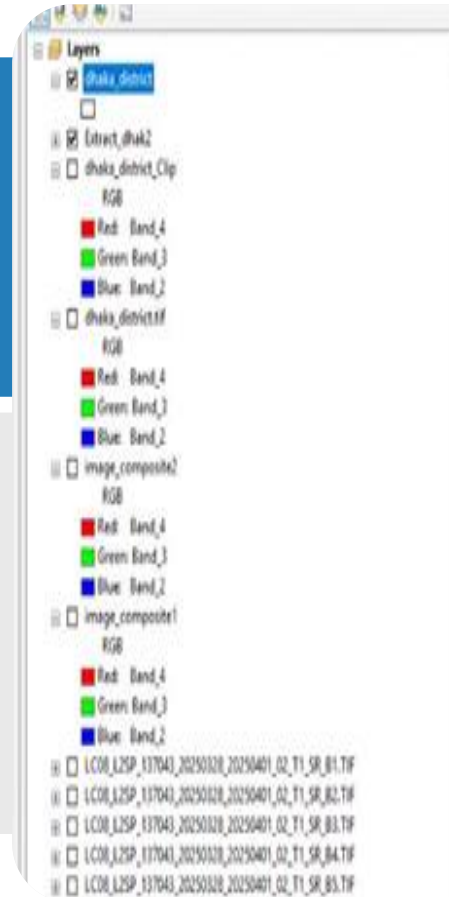

Manisha Rani Majumdar

Department of Coastal Studies and Disaster Management

Admission Session: 2020-21

Class 04: Satellite Image, Band Composite, Mosaic, Mask, and Clip.

Learning in Action: Participants' Work

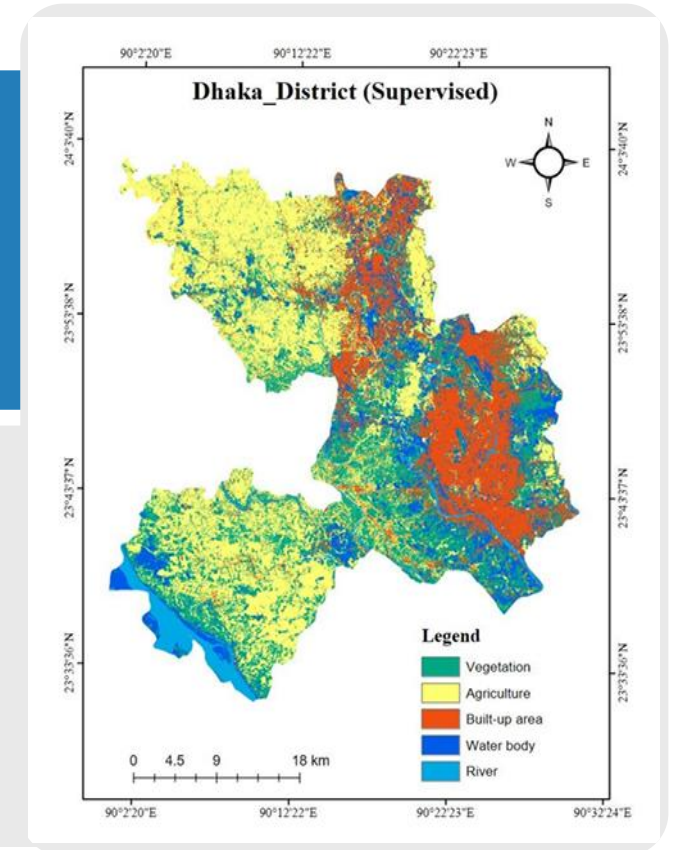

10

Raisa Ahmed Nishi

Department: Soil, Water, and Environment.
Admission Session: 2023-24

Class 05: Land Use Land Cover Classification

Learning in Action: Participants' Work

11

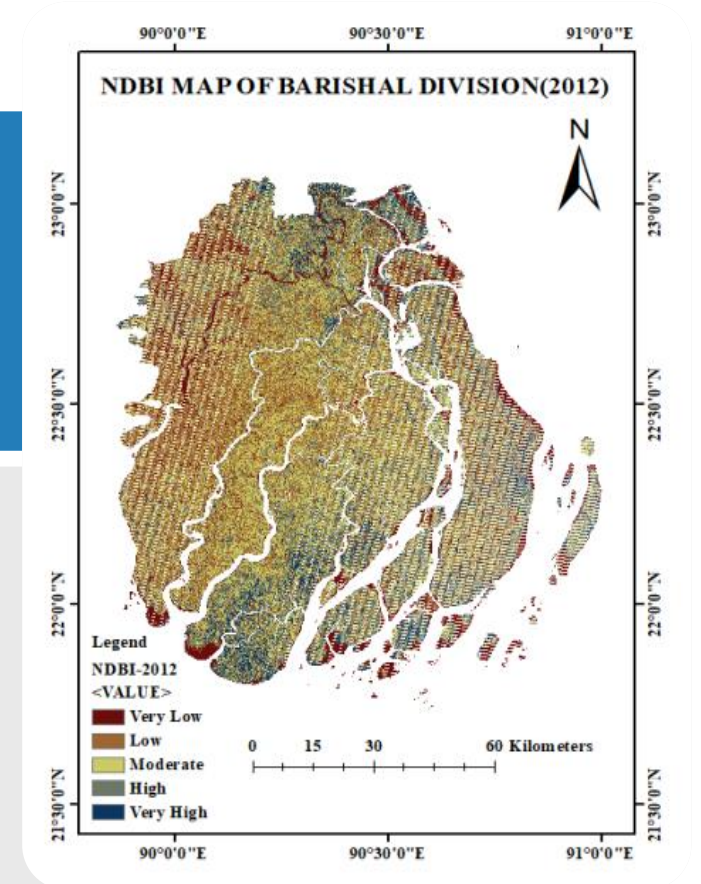

Khondoker Tasrif Ahmed

Department of Geology and Mining.
Admission Session: 2023-24

Class 06: NDVI, NDBI, and NDWI.

Raster Calculation, DEM, Aspect, Elevation

Learning in Action: Participants' Work

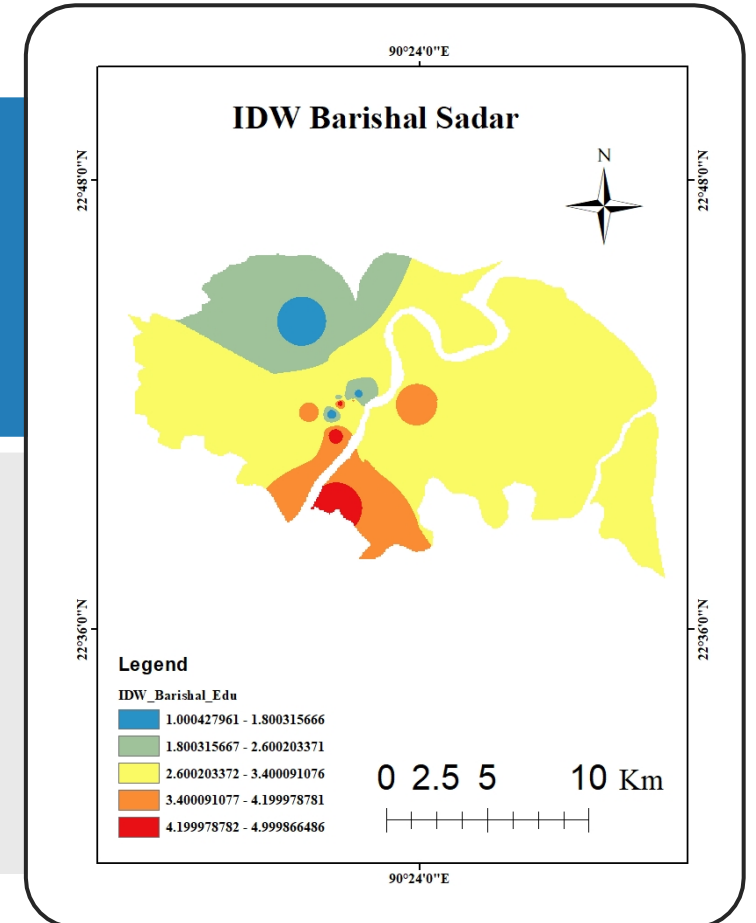

12

Mst. Koly Khanam

Department of Coastal Studies and Disaster Management.
Admission Session: 2021-22

Class 07: IDW, Krigging

Learning in Action: Participants' Work

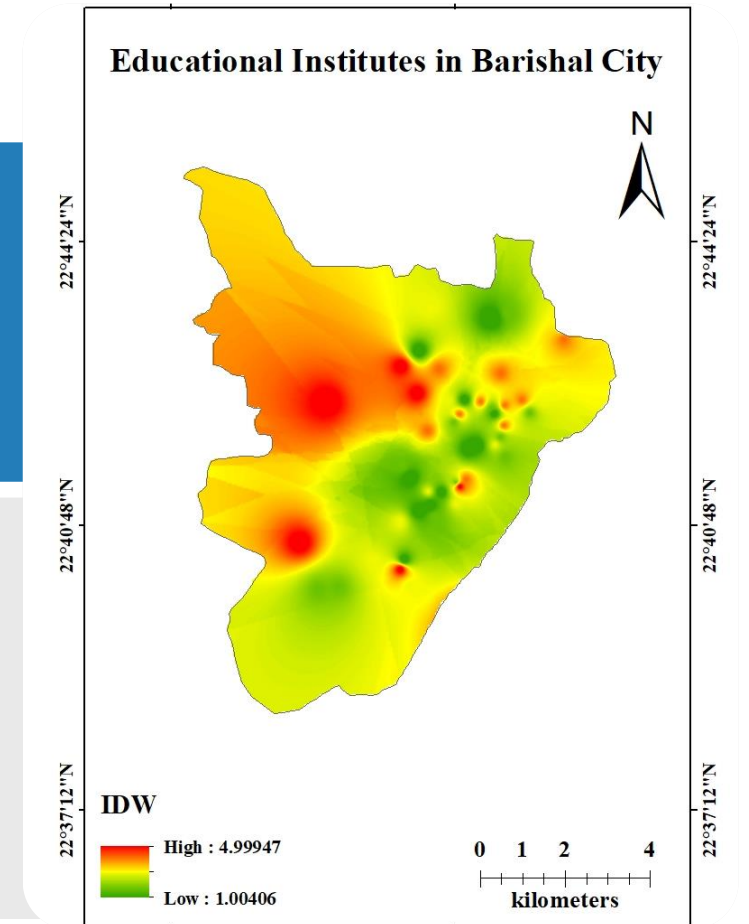

13

Aneekah Afrin

Department: Soil, Water, and Environment.
Admission Session : 2020-21

Class 07: IDW, Kriging

Thank You
